

Need to boost morale, establish goals, help your fund-raising program?

Need an exceptional communication tool for your school, church, business or organization?

This 12" x 24" poster series of spiritually positive messages grew out of a project developed for the United Church of Chapel Hill in North Carolina.

The posters may be optionally customized with an organization's name or logo (see poster #1) for use in fund-raising, as gifts, or simply as art prints of good will and fellowship.

All designs were created by the award-winning team of photographer Artie Dixon and graphic designer Dick Hill and can be adapted for brochures, notecards, T-shirts, coffee mugs and other items.
